

Chemainus Residents Association 2024 Annual General Meeting

Report from the Chair

Thank you to all the CRA members who faithfully attend these meetings. There would be no Residents Association without you!

Some of you might think that we already had the 2024 AGM last spring on March 21st. That meeting was actually the 2023 AGM which had been deferred for various reasons. Prior to our business meeting we hosted a “fireside chat” with a panel of experts about the effects of climate change on Chemainus. This was a very valuable and well-attended event.

Following this brief business meeting we also having a public meeting but it will take place after the b

The eight months after the March 21st meeting were unfortunately marked by 3 resignations from the Board for personal reasons leaving Craig and I as a “table for two”. We are grateful to those Board members who had to leave for their support when they were very much needed. Also thanks to Lorraine Taylor who, although not on the Board, continued to maintain our membership list and monitor our finances.

Normally we would have had an all-candidates meeting for the Provincial election but COVID once again interfered with normality and we lacked the resources to organize that event.

We are grateful to the individuals who have agreed to stand for election to the 2024 Board. I’m confident that we can now return to our work of canvassing Chemainiacs about their concerns and priorities, hosting public information meetings about local issues and organizing all-candidates meetings.
